Science & Geography

Before the school closures we had been learning about the farm. I have attached two PowerPoints that I converted into PDFs, for ease of downloading, which are all based on the farm.

In school I would revise the content of these at least 3 times a week for retainment of the information. This is only a guide, I understand you may not have the time to revise them this much.

1. Introduce with 'Farm Animals' PDF.
2. Following with – 'Where does our food come from?' PDF
3. Finish with Powerpoint Game – 'What am I?'

****These are all on our class page to download****

To reinforce all of this information, reading any books with farm animals will help a lot.

Art

- How to Draw a butterfly-

Physical Education- Please choose at least one a day 😊

- <https://www.gonoodle.com> - GoNoodle is a great free resource full of indoor workouts, dances & yoga, which are accompanied by animations or dancers.

Or / And

- 10@10 on RTEjr online- These are fun exercise videos (there is also an option to do them through Irish which is a fun way of getting some Irish into the day)- <https://rtejr.rte.ie/10at10/>
